Master Consortium Position Statement Culturally and Linguistically Appropriate Services (CLAS)

May 4, 2020

The COP-RCORP Master Consortium recognizes the importance of utilizing the CLAS Standards when implementing all RCORP OUD/SUD activities and strategic plans in five rural communities in Ohio. We strive to engage in a continuous, data-driven, and collaborative process to address health disparities and promote respectful, responsive, and accessible services. By strengthening our knowledge, skills, and awareness of culturally and linguistically appropriate services, we demonstrate our commitment to enhance health equity across the evolving continuum of care.
