

BECOME A **RECOVERY FRIENDLY** WORKPLACE!

Investing in **behavioral health** in the workplace drives **engagement, productivity**, and a **positive culture**, strengthening the **bottom line** for long-term **business success**.

RECOVERY is the process of change through which individuals improve their health and wellness, live self-directed lives, and strive to reach their full potential.

The Substance Abuse and Mental Health Services Administration found that **61% of adults with a substance use disorder are in the workforce.**

Research from the American Psychiatric Association found that more than 80% of employees treated for mental illness report **improved levels of work efficacy and satisfaction.**

EMPLOYER **RETURN ON INVESTMENT**
